 Tap Fee Greater than 4" tap (\$2,000)  
 Explain additional uses: \_\_\_\_\_

Please check desired payment method:

One time pay at the time of application approval  
 Pay in 12 monthly installments

Conditions: Applicant is responsible for obtaining a qualified plumber to make the sewer tap connection and pay for all costs associated with said tap and all costs associated with laying service from the main to the applicant's connection point, including any required materials. Town Code, section seven, chapter two, must be strictly followed for all installations. Property owner hereby agrees that upon connection to the system, he/she will pay the usual and customary fee.

Property owner assumes all responsibility for utility billing and tap fees. If responsibility is assigned to a renter, all unpaid bills at time of departure will be re-assigned to the property owner. If connection is abandoned, regular monthly fees will be assessed unless owner asks a waiver from the Town Council. Waiver Condition: All payments which have been suspended must be paid before another connection to this service can be made. If the amount of the suspended bill is more than a tap fee, the bill may be paid by paying a new tap fee or the suspended amount, whichever is less. The owner/s agree to comply with the ordinances of the Town of LaGrange pertaining to the said system and its operation, and agree that this document shall constitute a covenant running with the property.
