Unit 70 WELCOMES new Members!

Contact Treasurer, Mary Sue Hoyle at 307-331-4014 or President, Cathy Stoddard at 307-715-0311 for more information. **Next meeting: Monday, February 9th, LaGrange Town Hall 5:00pm**

In 2026, our nation will celebrate its 250th birthday, honoring two and a half centuries of freedom, service, and sacrifice. As members of the American Legion Auxiliary, this milestone holds special meaning for us because our mission is rooted in the same values that built this country and sustained it through every generation. The Preamble of the American Legion Auxiliary reminds us that our purpose is “to support and promote the principles and policies of the American Legion,” to preserve the memories and incidents of our nation’s history, and to strengthen our commitment to God, Country, and Community. As we recognize America at 250, we are reminded that our work directly reflects these principles. Through our service to veterans, their families, and our communities, we help carry forward the ideals of patriotism, loyalty, and selfless service that have defined our nation since its founding. America’s 250th birthday is not only a celebration of history, but a recommitment to our responsibility as Auxiliary members. We honor the past by remembering those who served, we serve the present by meeting the needs of today’s veterans and families, and we protect the future by teaching younger generations the value of citizenship and love of country. As we reflect on this historic anniversary, may we be inspired by the words and purpose of our Preamble to continue our mission with pride and dedication. In doing so, we help ensure that the spirit of America—and the heart of the American Legion Auxiliary—remains strong for generations to come.

The American Legion Auxiliary will be celebrating America throughout the year, watch for more information in the LaGrange Newsletters! Sneak Peek: *March 2026 You’ve been Star - Spangled!!!*
